

BIG DAY OUT

NOTE: AMENDED ROUTE & STARTING POINT!

Sunday, November 27, 2022.

Dear Members,

Please note the route and meeting point for this event have changed.

Following a reconnaissance drive earlier this week, it has been reported that the original route is unsuitable for many of our cars as the road condition in the Hunter Region is very poor in several places (deep potholes and washaways). Notwithstanding, 'the show will go on' and an alternate new route is now planned.

New Starting & Meeting Location

Rofe Park, 100 Galston Road, Hornsby Heights, 2077

From: 8:30am for 8:45am briefing & 9:00am departure

The new route: Commencing at Rofe Park, the route will take us through the Galston Gorge and onwards to Glenorie and Wisemans Ferry (rest stop #1). Leaving Wisemans Ferry, the route takes us back via Maroota, then along Wisemans Ferry Road to McGraths Hill where we will join the Putty Rd and onto Grey Gum Café (lunch and rest stop #2). After lunch the route takes to Colo Riverside Café for an optional final rest stop.

You will be driving amongst some of the most pleasurable roads and beautiful scenery the spring countryside have to offer.

Total distance is less than 150km. Detailed route instructions will be provided on the day. All roads are sealed roads, suited to our classic and modern Alfas.

Note: given the fluid nature of the run, it is advised to BYO refreshments and to start the run with a full tank of fuel.

We look forward to having you with us on the Big Day Out on Sunday, November 27.

Ric Bonomo
Immediate Past President.
